Description: Disposable PharmaScoops  
Material: Polystyrene  
Date: 14-Apr-11

Dear Sir/Madam,

We confirm that the goods are manufactured with Polystyrene that conforms to FDA CFR 177.1640.

The polystyrene resin used in the manufacture of all of the above products is BSE/TSE free.

All PharmaScoops are moulded and packed in a class 100,000 medical cleanroom.

For and on behalf of  
Sampling Systems,

Jonathan Fenner
